## THOMAS GREETED WITH ACCLAMATION

Expelled Senator Takes Oath Amid Hand-clapping of Galleries. Certificate of Election Not Demanded.

Special to the Eagle.

Austin, Texas, April 10.—Greeted with enthusiastic hand-clapping in the galleries, Senator Thomas was sworn in and took his seat in the Senate this morning.

There was no opposition by any of the members to admitting him

without his certificate of election, and the senate had previously adopted a resolution directing the sergeant-at-arms to notify Mr. Thomas that the senate was ready to receive him. Lieutenant Governor Davidson administered the oath, allowing the applauding to go on unrestrained.

### BURGULARS IN FORT WORTH.

Special to the Eagle.

Fort Worth, Texas, April 10.—Four business places—one drug store, one grocery store and two saloons—were robbed by burglars in this city last night. About one hundred dollars was taken from the four places.

The police believe that this robbery was committed by the same gang that burglarized four residences one night last week.

The amount of money secured last night is considerably less than the haul they made in the burglary of last week.

### WIFE SLAYER SHOOT HIMSELF.

Special to the Eagle.

Bingham, Maine, April 10.—Last night Herbert Nottage, during a quar-

rel with his wife, Lucinda, shot and fatally wounded her, after which he fled. This morning he was found lying exhausted upon the snow-covered ground, after a flight of twelve miles through the woods, and when confronted by the pursuing posse he fired a pistol shot into his own mouth, inflicting a wound from which he died an hour later.

Special to the Eagle.

Gainesville, Texas, April 10.—Crushed and cut in a Santa Fe train collision, which happened on the crusher siding in North Ardmore last night, Conductor P. C. McCarty was brought to his home in this city this morning. Though his condition is precarious, the physicians hope to save his life. McCarty is one of the oldest conductors in the employ of the Santa Fe company.

### REV. GAUGHLEY COMING.

Rev. J. T. Gaughley of Arkansas, who was recently extended a call to the pastorate of the Presbyterian church of this city, and accepted conditioned to his release by his church and presbytery, has written that he will come. The concessions have all been made and he will arrive in Bryan on April 29th, and preach his first sermon on the first Sunday in May.

### EASTER WINDOW.

Joe Howard, Haswell's up-to-date window dresser, has scored again in planning and executing a unique window display. It is an Easter window and represents a barn yard scene. The back wall of the window is covered with holy boughs and the floor is laid with natural earth. Hen nests of hay are in the corner of the window, and the watering pan is in the center. An old mother hen and twenty-five little chicks were loose in the window and were walking about, scratching and picking around as naturally as if they were in the barn lot at home.
